

RJ Standard Poodles Puppy Application

Our poodles are living, breathing beings and we strive to place them in the best possible home. Please fill this out and help us get to know you. We will contact you as soon as we're done reviewing your application. If you have any issues filling out or submitting the form, please contact us via rjstandardpoodles@gmail.com. We recommend only doing an application about 6 months to 1 a year prior of your ideal adoption date. If your application is approved, a 300.00 partially refundable deposit fee will get you onto a waitlist. All planned littler information is published on rjstandards.com and our social media. We spend as much time as need be with every adopter to ensure that we all feel it is the best fit! So welcome! Let's get to know one another.
